Thursday, April 19th, 2018

Vantage Venues | 150 King Street West, 27th Floor, Toronto, ON

## CANADIAN ALTERNATIVE INVESTMENT FORUM (CAIF)

As thought leaders in the Canadian alternative investment industry, Introduction Capital produces CAIF annually to offer awareness on the current environment and an outlook as to what lies ahead. CAIF is a carefully curated full-day forum that introduces niche alternative opportunities, industry veterans and global trailblazers to an investing audience.

CAIF is purpose-designed to connect active allocators (including ultra high net worth individuals, family offices, institutions, foundations, endowments and their advisors/counsellors) to their peers, but as well as to innovators, entrepreneurs and investment managers.
